- Hear from the leaders at Halan Microfinance Bank as they share their journey of one of the fastest big bang implementations on our latest microservices based core banking platform. Discover how they operationalized in just five months and gearing up to scale ahead.
- Live product demos and Q&A sessions with clients, understanding their pain points.
- Panel Discussion with industry veterans; Historians' view of the future & emerging technologies.
- Knowledge sharing break-out sessions with power users of Core, Treasury, LOS, Trade, HRMS, and other modules from our suite.
- Recognition, giveaways, key networking opportunities, and more!

We look forward to forging a strong culture of experience sharing, learning and growth amongst our community!

Product Upgrades

We are constantly innovating to bring you an enhanced technology platform with advanced features. Are you ready to upgrade?

- We are thrilled to announce the upgrade of our Transaction Monitoring System from a legacy back-office setup to a modern web-based .NET application. This enhancement ensures seamless, secure, and high-performance operations.
- We have introduced an automated screening process that runs daily, checking all bank customers against the NACTA Proscribed List and generating exception alerts. This significantly reduces associated risks and ensures regulatory compliance.
- The AutoTRADE Import Module is transitioning from a legacy system to a modern web-based .NET application, with rollouts planned for Q2 2025

Events in Q1

Strategic Partnership Agreements

In March, AutoSoft Dynamics and AlHuda Centre of Islamic Banking & Economics have signed an MoU to foster innovation and collaboration in Islamic banking and financial solutions.

In February, AutoSoft Dynamics and Azeemi Technologies signed an agreement, with AutoSoft Dynamics represented by Bilal Mahmood (CEO), Shahzad Rafique (COO), Waleed Ahmed (CCO), Saadia Samad (AVP), and their team. The ceremony was attended by key dignitaries, including Shaza Khawaja (Ministry of IT & Telecom), Zarrar Khan (Federal Secretary IT), Sajjad Syed (Chairman P@sha), Abu Bakar (CEO PSEB), P@SHA Secretary General, and Ahmad Farooq (Pakistan's Ambassador to Saudi Arabia).

LEAP

Along with our parent company, Contour Software, we exhibited at LEAP, Saudi Arabia, in February. We showcased our state-of-the-art products while establishing a stronger presence in the region.

Stay tuned for AutoSoft Dynamics' participation in exciting upcoming events!
