Dedicated Professional Services

At AutoSoft, we prioritize efficiency, cost savings, and speed for our clients. Our Dedicated Professional Services (DPS) Model provides exclusive resources for your projects — at a preferential rate.

Key benefits include:

- Faster time to market with skilled professionals
- Optimized costs through dedicated resources
- Seamless execution aligned with your goals

This model delivers the flexibility, efficiency, and value your institution can leverage, to maintain its competitive edge

Curious how it works in real-world scenarios?

Ask us to connect you with clients already leveraging the DPS Model.

Support: Golden Tickets Leaderboard

- In Q2, the rise in detailed Golden Tickets (steps, screenshots, attachments) helped us resolve issues faster and more efficiently. Thank you for your continued support!

A big shoutout to our top contributors in Q2

- Al Baraka Bank led the pack with **30%** of total Golden Tickets – special thanks to **Maaz Asrar, Imran Faseeh & Azfar Khan**.
- FINCA Microfinance Bank followed closely with **25%**, securing the second spot. We thank all our clients who raised Golden Tickets and actively contributed to the initiative’s success.
