

Product Upgrades

We've been busy enhancing your platform experience. From regulatory compliance to smarter workflows, our latest upgrades are designed to keep you ahead of the curve.

Now available in release 4.0:

- **CREDIT:**
Loan Provisioning: Setup for Specific Provisioning with Year-wise Collateral Haircut.
- **TRADE:**
Specialized feature of Automation of Commission amortization for LG & LC. Recover upfront, amortize monthly- aligned with instrument validity.
- **COMPLIANCE:**
Job-Based Bulk Screening: CNIC screening now runs as a scheduled background job from core banking system, for better accuracy, faster processing, and stronger compliance.
- **HRMS:**
Multi-level approvers & workflow routing now with compliance of FBR's Section 63A.

Regulatory Updates

- **Minimum Profit Rate Update:**
Financial institutions, public sector enterprises & public limited companies are now exempt from the minimum rate on savings deposits per BPRD Circular No. 05 of 2024.

Client Engagement

AutoSoft continues to lead the transformation drive across the Islamic finance landscape, setting new industry benchmarks with successful portfolio conversions [such as at Faysal Bank](#).

In line with SBP's guidelines, we have initiated multiple Islamic conversion programs, helping our customers transition seamlessly toward fully Shariah-compliant operations.

If your institution is planning its Islamic transformation journey, we invite you to connect with us to explore how our proven and mature Islamic solutions can accelerate your conversion process.

Who Joined Us

We were honoured to welcome:

- Banking Ombudsman
- Chairman, PACRA
- CEOs & CIOs from leading Financial Institutions
- Executives from State Bank of Pakistan
- Senior Stakeholders from Microfinance & Islamic Banks
- End Users across the financial ecosystem

Your presence fuels our mission. Let's keep building the future together.

From bold ideas to breakthroughs to forging new partnerships in enterprise & digital banking landscape – The journey continues.
