

AutoSoft Users Conference

Save the Date: 16th April 2026!

We are excited to announce the upcoming AutoSoft Users Conference, taking place across our Karachi, Lahore and Islamabad group offices, with a planned agenda covering:

- Exclusive keynote sessions led by senior industry executives, covering trends, regulatory shifts, and the future of digital banking.
- Transformation case studies showcasing major modernization journeys, core banking upgrades, and large-scale digital adoption initiatives.
- Roadmap insights & product enhancements, including compliance-driven updates, microservices advancements, and new platform capabilities.
- Client-led implementation stories, detailing operationalization experiences, go-live learnings, scaling strategies, and performance improvements.
- Live product demos & Q&A, offering hands-on exposure to new features across core, digital, payments, and lending suites.
- Expert panel discussions on emerging technologies, industry challenges, and future-ready banking innovations.
- Knowledge-sharing breakout sessions with power users across Core, Treasury, LOS, Trade, HRMS, Channels, and more.
- Networking, recognition, community engagement, celebrating collaboration and excellence across our user ecosystem.

We look forward to another year of shared learning, industry insights, and collective growth at the AutoSoft Users Conference.

Success Stories

Digital Lending & LOS Enablement

Askari Bank Limited has partnered with us for digital lending and LOS enablement, improving operational efficiency and delivering a superior digital experience to its customers.

Islamic Banking Migration

Sindh Bank Limited has successfully converted 45 branches to fully Shariah-compliant Islamic banking, marking a major milestone in its long-term transformation journey, with a target of converting 330 branches.

Product Upgrades

We've been busy enhancing your platform experience. From regulatory compliance to smarter workflows, our latest upgrades are designed to keep you ahead of the curve.

Now available in release 4.0.1:

- **CREDIT:**
API-Enabled Gold Loan Rollover & Top-Up: APIs for Gold product Rollover & Top-up via Mobile App.
- **TRADE:**
Specialized feature of Automation of Commission amortization for LG & LC. Recover upfront, amortize monthly- aligned with instrument validity.
- **COMPLIANCE:**
Job-Based Bulk Screening: CNIC screening now runs as a scheduled background job from core banking system, for better accuracy, faster processing, and stronger compliance.

Regulatory Updates

- **CREDIT:**
Configurable Repayment-Charge Display developed to meet regulatory requirements, enabling multi-charge setup without hard-coded changes.
- **MIS:**
Monthly CBS Reporting: Mandatory submission of monthly Core Banking System data, covering A05 Deposits, A07 Loans, FAL & NFA flows, A04 Cross-Institution Assets/Liabilities, and Investment Format.

Digitalization Journey

ABHI Microfinance Bank has enabled a seamless digital top-up and rollover experience for customers directly through the ABHI mobile app, powered by a robust lending platform that allows real-time access to additional financing and rollover management without manual intervention.
